## BIG ANNOUNCEMENT - VAN UPDATE

### Van Update

The Exceptional Foundation of Atlanta is calling on our community of supporters to help us achieve our end of the year goal to raise the remaining money needed to purchase a 12 passenger van. Our program is staffed and ready to serve participants in need of our day

program services, yet we are unable to accept new participants without transportation to provide them access into the community. A 12 passenger van will create space for new participants with special needs to join our program so they will have a place to go during the week where they can engage with their peers, participate in recreational activities and have access to the community in which they live. Most importantly, a 12 passenger van will allow 12 adults with special needs to have a purpose beyond their home where they can thrive and BE EXCEPTIONAL!

Not only will an additional van allow us to serve more adults with intellectual and developmental disabilities in need, but it will also allow us more opportunities to serve the local community. Participants of The Exceptional Foundation of Atlanta volunteer at Calvin Cove adult respite care program, Mending the Gap, Grace Church in Snellville, and prepare and deliver meals for foster families in the area. Imagine how much more good the participants can bring to the community with access to more transportation?

On behalf of The Exceptional Foundation of Atlanta Staff and Board of Directors, we would like to thank you for your generosity and support. Please know the EXCEPTIONAL IMPACT the 12 passenger van will have on our participants, their families and our community at large.

"ONE LOVE!" - JAVON

Excited is an understatement when Javon spotted his mantra "one love" across the brick wall while out in the community. Javon has been a part of the EFATL family since its opening day. Javon truly embodies the definition of ONE LOVE. He loves all people and truly sees the love and good within everyone. We wish more people could share Javon's perspective and see others for their abilities and love that they bring to this community. Javon thank you for being EXCEPTIONAL and know that your "ONE LOVE" spirit has spread throughout your EFATL family and beyond.
